PROFILE OF IIAPS

IIAPS (International Institute for Advanced Purchasing and Supply Management) is a not for profit organisation, dedicated to the raising of international standards in purchasing and supply management. The main activity of IIAPS is the establishment of advanced international standards for purchasing and supply chain professionals worldwide. To attain Full Professional Membership (MIIAPS) candidates must successfully complete the Institute's International Black Belt in Advanced Purchasing & Supply. This is the world's first advanced international professional qualification for purchasing and supply chain management managers.
